About Us

At **Dolphy**, we are more than just a business—we are a brand built on **care, innovation, and impact**. Since **2017**, we have been **transforming hospitality and commercial spaces** with cutting-edge solutions that prioritize **quality, sustainability, and user experience**.

With a relentless commitment to excellence, we continue to **push boundaries, create smarter solutions, and shape a future where innovation meets responsibility**—enhancing lives while caring for the planet.

What We Do

We provide premium solutions for the hospitality and commercial sectors ensuring that every space be it a luxury hotel an office or a bustling airport meets the highest standards of comfort and efficiency. From smart hotel room essentials like RFID door locks, minibars, and bathroom accessories to cutting-edge washroom automation like sensor faucets and hand dryers we bring innovation to everyday experiences. Trusted by global names like Marriott, Taj, Hyatt, Hilton, and Fortune 500 companies like Google and Reliance we have become a symbol of excellence in just a few years.

Our Commitment to Quality & Sustainability

For us, success isn't just about great products; it's about creating a better future. That's why all our solutions meet global certifications such as CE, ISO, and Green Building standards. With state of the art manufacturing units in Surat, Rajkot, and Jamnagar, we proudly contribute to the 'Make in India' movement striving for 100% in-house production by 2027. Sustainability is at our core and we integrate solar energy into our operations while fostering inclusive employment opportunities including a dedicated team of hearing impaired individuals who bring incredible dedication to our workforce.

Our People & Global Reach

What started as a small team of 10 has grown into a family of over 350 professionals across 26+ branch offices and seven experience centers in India. Our reach extends beyond borders serving clients across Asia-Pacific, Australia, New Zealand, and beyond with plans to expand into the USA, Middle East, and Africa. Yet, at our heart we remain the same driven by passion, integrity, and a commitment to excellence.

Looking Ahead

The future is bright and Dolphy is ready to lead the way. Through innovation, sustainability, and an unwavering dedication to quality we continue to push boundaries and redefine industry standards. Inspired by the five elements of nature we stand for purity, strength, passion, speed, and limitless possibilities.

Our Vision

DOLPHY has always stood for providing the finest products and the best level of service. We aim to grow nationally as well as globally to cater to a larger clientele. By working independently as a strong firm, we have been able to focus on the production of the best hygiene products which in turn has brought our customers what they've wished for Quality and Affordability.

Our Mission

We are well aware of the impact that our work can be on the world. We aspire to turn this positive impact into a powerful message to the world so they can see our dedication toward sustainability and responsibility. We are a visionary company that continues to use technology to the best of our ability.

Dolphy : The Sign of Quality. Let's build a smarter, greener, and more innovative tomorrow together.

About Us

At **Dolphy**, we are more than just a business—we are a brand built on **care, innovation, and impact**. Since **2017**, we have been **transforming hospitality and commercial spaces** with cutting-edge solutions that prioritize **quality, sustainability, and user experience**.

With a relentless commitment to excellence, we continue to **push boundaries, create smarter solutions, and shape a future where innovation meets responsibility**—enhancing lives while caring for the planet.

What We Do

We provide premium solutions for the hospitality and commercial sectors ensuring that every space be it a luxury hotel an office or a bustling airport meets the highest standards of comfort and efficiency. From smart hotel room essentials like RFID door locks, minibars, and bathroom accessories to cutting-edge washroom automation like sensor faucets and hand dryers we bring innovation to everyday experiences. Trusted by global names like Marriott, Taj, Hyatt, Hilton, and Fortune 500 companies like Google and Reliance we have become a symbol of excellence in just a few years.

Our Commitment to Quality & Sustainability

For us, success isn't just about great products; it's about creating a better future. That's why all our solutions meet global certifications such as CE, ISO, and Green Building standards. With state of the art manufacturing units in Surat, Rajkot, and Jamnagar, we proudly contribute to the 'Make in India' movement striving for 100% in-house production by 2027. Sustainability is at our core and we integrate solar energy into our operations while fostering inclusive employment opportunities including a dedicated team of hearing impaired individuals who bring incredible dedication to our workforce.

Our People & Global Reach

What started as a small team of 10 has grown into a family of over 350 professionals across 26+ branch offices and seven experience centers in India. Our reach extends beyond borders serving clients across Asia-Pacific, Australia, New Zealand, and beyond with plans to expand into the USA, Middle East, and Africa. Yet, at our heart we remain the same driven by passion, integrity, and a commitment to excellence.

Looking Ahead

The future is bright and Dolphy is ready to lead the way. Through innovation, sustainability, and an unwavering dedication to quality we continue to push boundaries and redefine industry standards. Inspired by the five elements of nature we stand for purity, strength, passion, speed, and limitless possibilities.

Our Vision

DOLPHY has always stood for providing the finest products and the best level of service. We aim to grow nationally as well as globally to cater to a larger clientele. By working independently as a strong firm, we have been able to focus on the production of the best hygiene products which in turn has brought our customers what they've wished for Quality and Affordability.

Our Mission

We are well aware of the impact that our work can be on the world. We aspire to turn this positive impact into a powerful message to the world so they can see our dedication toward sustainability and responsibility. We are a visionary company that continues to use technology to the best of our ability.

Dolphy : The Sign of Quality. Let's build a smarter, greener, and more innovative tomorrow together.
