ARC MEAI
COLLECTION

BEAUTY ACCESSIBLE TO ALL:

For 70 years, Luminarc has offered the French art of living into everyday life.

When Jacques Durand created Luminarc in 1948, he wanted to offer clients all over the world the best products at affordable prices. Today, Mr Durand's commitment is being renewed with a new Luminarc that's simple, trendy and smart. With a new logo, a new touch, new products and new categories, Luminarc continues to bring quality to the world's tables and kitchens so that everyone can enjoy the very best of Frenchstyle.

Our aim:

To stimulate up your Tableware shelf and make it more attractive to customers by featuring a brand with an excellent reputation and regularly renewed product range.

To win over new customers with permanent or promotional offers of items that meet their needs, and encourage them to make impulse purchases of stylish products that inspire their own creativity.

Endura

Endura is reshaping the art of glassware with its new designs inspired by contemporary Middle Eastern and floral art reflecting cultural influences and trends. Behind each design, there is a story reflected in the choice of patterns and mix of colors. The concepts in the designs are widely diverse and inspired by artistry ranging from the beautifully historical patterns exquisitely engraved on the ancient buildings of the Andalusian heritage to the fresh flowers painting our gardens. Endura, a brand of ARC group; the leader in the glassware industry, offers the best quality for outstanding durability.
